we don't do lunch
we don't eat healthily
we don't do 9-5
we don't over charge
we don't like what we do

WE LOVE IT!

3011050

**"A photocopier left on overnight
uses enough energy to produce
1500 copies."**

Saving energy makes good
business sense

Saving energy saves you money, protects
your reputation and helps combat
climate change.

Your organisation could save up to 10%
through housekeeping actions which cost
little or nothing.
