

Business and Enterprise Centre

To continue to drive forward your business in today's challenging economic climate it is essential to develop and maintain a highly skilled and motivated workforce.

West Lothian College provides a wide range of skills training and corporate qualifications to support both individual and professional development.

The college's Business and Enterprise Centre works in partnership with over 400 organisations, delivering bespoke skills training solutions to

support your organisation's business development needs.

With a proven track record in developing and delivering demand led training, both on and off site, West Lothian College facilitates the development and maintenance of a highly skilled and motivated workforce.

The Business and Enterprise Centre has excellent conference facilities and uses innovative e-learning technology that can be delivered locally, nationally or internationally.
