Hail the Cabbie

Born and bred in Scotland's capital, and with 28 years experience of driving Edinburgh's taxis, the erudite Glyn Farrer offers unique, personally tailored tours of the city and beyond. Merely speaking to Glyn constitutes a comprehensive lesson in Scottish history and customers are invariably bowled over by his infectious enthusiasm. Listening to the gregarious cabbie wax lyrical about Rosslyn Chapel and Robert the Bruce, you'll obtain an almost tangible sense of Scotland's rich cultural heritage and to quote the affable cabbie himself, 'If you book 'Hail the Cabbie' tour, it's so in-depth you'd better remember your shovel!'. With an encyclopaedic wealth of fascinating facts on such diverse topics as Frederic Chopin's tragic Edinburgh Interlude, or Mark Twain's famous sojourn in the city, Glyn's passion is inspiring and informative and offers an authentic alternative to the soul-less bus tours.
