

Investing in Scotland's future

Scottish Enterprise is driven by Scotland's key industries to help build a world class economy.

We focus on those sectors where Scotland has existing competitive advantage and which offer the greatest potential to transform Scotland's economy.

We deliver a range of activities locally, nationally and internationally to encourage enterprise, stimulate innovation and lever investment in Scotland.

At Scottish Enterprise, we have always been focused on the customer but now we are driven by customer demand.

If you are ambitious to grow your business in Scotland, contact us on 0845 607 8787 or visit www.scottish-enterprise.com
