

Enhance your career with a course at Stevenson College Edinburgh

With lots of exciting courses to choose from and excellent facilities, there's never been a better time to study at Stevenson. As one of the largest further education colleges in Scotland, we welcome over 15,000 students every year, including 1000 international students from over 50 different countries including China, India and Spain.

Our commercial arm, SCE Enterprise, delivers a huge range of courses including Health & Safety to a broad range of clients from small businesses to large private and public sector organisations.

Stevenson offers all kinds of courses from entry level through to HNDs and degree foundation programmes. If you are looking to advance your career through training or move into a new field, a professional qualification can help get you there. From Accountancy and Management to PDAs in Childcare and SVQs in Social Care or CISCO and Microsoft computing courses, our range of industry standard, accredited programmes can help meet your development needs.

The College has invested some £10 million to enhance and create brand new state-of-art facilities, including a new Enterprise Centre which houses a 70 seat lecture theatre and 4 high specification training rooms with interactive white boards. The Music Box, our new music and performing arts centre, includes a 120 seat auditorium, dance studio, recording studio, rehearsal and practice rooms, offering an array of Creative Arts courses. Our facilities are also available for hire.
