### Venture Fire Consultancy Limited

Venture Fire Consultancy Limited are based in Kent and cover the South East of the United Kingdom. Established since 2002 as fire safety consultants, we specialise in Live Fire Training, Fire Risk Assessments, Fire Extinguisher sales and servicing, Evacuation Training, Fire Safety Consultancy and Fire Safety Advice.

As professional fire safety consultants we aim to give you a complete fire protection package from the initial fire risk assessments, to identify then to eliminate or reduce fire by providing your staff with fire safety awareness training. We provide fire safety services for small businesses through to global institutions and public bodies.

Please visit our website for further information about the company and our experience and qualifications as fire safety consultants.
