Peter A Clark Pipework & Welding Services undertake modular pipework fabrication and installation services for commercial and industrial applications.

Working from our 25,000 sq ft facilities in Dartford just off of the M25 as well as operating several on-site installation teams we are able to undertake all types of projects from mechanical risers, plant rooms, toilet pipe work frames and modularised horizontal services.

We are Gas Safe Registered and members of the Heating and Ventilating Contractors' Association as well as being Tiva Accredited Suppliers.

All material types can be worked including: *Carbon - Stainless Steel*

We operate coded welders skilled to Class I and Class II.
