

# BROWN COMMERCIALS

## Municipal Truck Specialist

Since 1981 we have specialised in the repair and refurbishment of **Refuse Collection Vehicles**.

We have a range of commercial vehicles for sale to both UK and International Customers. Being based in Kent makes our position ideal for exporting vehicles to world wide destinations including Eastern Europe, Africa, and Jamaica via Dover Ferries, Sheerness and Tilbury Docks.

We also provide many other HGV and Commercial Vehicle Services. Please call or browse our website to find out more information about what we can provide for you and your business.
