

Travel by Air

London Gatwick Airport is easily accessible from Kent, an hour and a half's drive from Dover via the M20 and M25 and an hour's drive from Ashford. Alternatively, London Heathrow Airport is a two-hour drive from Dover and an hour and a half's drive from Ashford.

Kent is home to two airports: Kent International Airport in Manston and London Ashford Airport in Lydd.

London Ashford Airport is easy to reach by train, bus or car and is just ten miles from Ashford International.

The airport is served by Lydd Air and has daily flights to Le Touquet departing at 0930 and arriving at 1100. Return flights depart Le Touquet at 1730 local time and arrive in Lydd at 1700 GMT. www.lyddair.com

Kent International Airport (KIA formerly London Manston) is located on the Thanet Peninsula just two miles west of Ramsgate. KIA offers a small selection of charter flights during the peak season. KIA: 01843 823 600
