Medway Computer Supplies Ltd.
Suite 307, Medway Enterprise Centre
Enterprise Close, Medway City Estate,
Rochester, KENT ME2 4LY

Founded in 1992 MCS has been supplying local schools, businesses and members of the public with all manner of computer supplies over the last 16 years.

We became a limited company in August 2000. Many of our earliest customers have stayed with us over the years because we have an in depth knowledge of the products we supply, our pricing is always very competitive, we deliver free of charge to local addresses and not least we are always happy to help customers resolve any problem they might be experiencing.

We stock a wide range of Inkjet Cartridges and Laser Toners for immediate FREE delivery to local addresses.

We are able to supply all makes of computer supplies, peripherals and components for next day delivery from our suppliers all over the country. This means we can get the best prices and pass on the savings to our customers.
