

RIVERSIDE COMMERCIALS

Service and repair of all commercial vehicles

Welcome to Riverside Commercials - The alternative to your local dealer

Your one stop commercial vehicle shop

Conveniently located on Medway City Industrial Estate in Rochester, Kent we provide a full range of commercial vehicle repair services for all makes of trucks, trailers and vans. We specialise in supporting our customers with meeting the terms of their operator's licence and legal obligations.

Our skilled staff are fully qualified and all have many years experience in the commercial vehicle industry working for a wide range of main agents and private sector companies. This gives us an in-depth knowledge of the industry and its pressures, and therefore the ability to provide the highest standards of workmanship whilst respecting the need for minimising down time.

We also offer advanced computerised vehicle diagnostics, 24 hour roadside assistance and recovery service. Collection and delivery can be arranged.
