

Carpet and Floor Maintenance By Professionals

Professional Carpet & Hard Floor Maintenance Protecting Your Investment and Maintaining Your Image

YOUR OFFICE

Your office has been recently refurbished, you have had a beautiful new office flooring laid...it's a sizeable investment. And you want it to remain as good as new, for as long as possible...so you keep on impressing your clients.

P.L.T. Services are specialists in hot water extraction and dry compound methods of flooring cleaning.

P.L.T. Services will advise you on the correct method of cleaning, we recognise that flooring is a major company investment and will benefit from maintenance by professionals.

P.L.T. Services has the breadth of experience to put together a programme that is geared to the product, prolongs flooring life and maintains that 'brand new' appearance over time.

Our goal is to protect your investment year after year.

PLANNED MAINTENANCE

A planned P.L.T. maintenance programme is as important as the product itself, and applies to every modern commercial environment. The P.L.T. maintenance programme has been designed to deal with every flooring cleaning problem whether open plan or cellular, city centre or urban, public or private sector large or small.

A P.L.T. Planned Maintenance Programme Includes;

- On-site inspection
- Competitive quotation
- Identification of traffic and wear areas
- Customised maintenance programme
- Problem solving
- Cleaning method recommendations
- Regular monitoring service

FREE Evaluation

We can examine and test your office flooring to develop a planned maintenance programme.
