

As a Company we specialize in all areas of refurbishment and new build projects and pride ourselves on our "can-do" attitude. The Company's unique approach to projects undertaken and ability to adapt has meant that Logan Construction have the scope to undertake commercial projects from all sectors.

On every project undertaken Logan's are capable of providing highly experienced project teams, directly employed managers, along with supervisors and tradesmen all committed to servicing and fulfilling the successful completion of projects matching the client's expectations from tender to completion.

Our ranges for tendered or negotiated projects are valued between £100,000 and £2,000,000 GBP and our financial strengths are due to Logan's commitment to taking steps to ensure that a sound financial base is maintained with no external borrowings. We have undertaken a number of reconfiguration and refurbishment and part new build contracts predominately within the Healthcare and Education Industries;

St Georges Hospital NHS Trust – 6 Ward Bed Re-alignment Project - £1.5M, Ultrasound Refurbishment - £400K, Dakin Birth Unit Refurbishment - £300K.

Queen Mary University of London – John Vane Science Building Phase 7 - £2.97M, Student Village Phase 3 - £1.9M

Kingston Hospital NHS Trust – Hardy & Kennet Ward Refurbishment - £1.2M, Pre-Discharge Ward - £250K, Satellite Kitchens - £600K

UCLH NHS Trust – Private Patients Wing Refurbishment - £1.2M

If this is your first experience of Logan Construction (SE) Ltd, please feel free to contact us for further information or for someone to contact you to discuss how Logan Construction can help with your construction needs.
