**DRY LINING**

We can provide you with Short Courses, Qualification Courses, Weekend Courses and much more. No experience is required in order to take part in most training courses provided by Able Skills.

**BRICKLAYING**

Able Skills is an approved training provider and has accreditation to offer qualifications on behalf of: City & Guilds, Construction Awards Alliance (formerly CITB), NICEIC & EAL for Domestic Installer qualifications and Logic Certification for gas training.

**TILING**

Due to our management of quality, we have achieved ISO 9001 certification and are also associated with IPHE (Institute of Plumbers and Heating Engineers). We are in a position to cover every aspect of construction training and can provide courses to teach you to whatever level you choose to go to.

**ELECTRICAL**

We are also approved to deliver NVQs which means that once your training is finished and you are working within your chosen industry, Able Skills dedicated NVQ assessors are able to assess you onsite, at your place of work with a view to you obtaining NVQ level 2, a National requirement for site workers by 2010.

**Part P VRQ**

We are open 7 days every week throughout the year and all courses run every week without fail. We can cater for DIYers, people requiring qualifications, we offer weekend courses and interest free payment plans.

**KITCHEN FITTING**

We aim to offer the best possible services. We can also cater for people already working within the industry but lacking qualifications, we do this via the Experienced Worker Practical Assessment (EWPA). We provide after course support to all students, this can include Business start up packs, emails with queries or calling us 7 days every week between the hours of 07.30 am to 07.30 pm, there is always someone on hand to help.

**PLASTERING**

We are the preferred training provider of one of the biggest colleges in the UK and we also supply training to large and well known companies who are looking to upskill their staff. We cater for service leavers, people facing redundancy and those of you looking to dramatically change your career. We have worked hard to obtain this recognition and our main aim is to continue in this manner and we are always looking at different options to offer more.

**PLUMBING**

We do not require that you make an appointment, we prefer you to come unannounced so you can see the reality and honesty of what we do. Come and chat with our instructors, speak to ongoing students and receive expert advice and course coordinating from Able Skills office staff. Please browse the website to see what we can offer you but feel free to email any comments or questions or alternatively, **call Gary, Angela or John in the office on 01322 280202** to answer any questions you have, 7 days every week.
