We are a family owned and run business involved in all aspects of the Electrical Contracting Industry. Formed in 1996, we have grown to be one of South East England's foremost contractors. We have a large client base which includes London & Quadrant Housing Group & Gravesham Council. Our engineers are fully qualified and we offer an apprenticeship scheme in association with North West Kent & Bexley Colleges. Our service is professional and yet still retains that personal touch.

Areas of our expertise include:

Periodic Inspections & Certification.

Design & Build Services

Installation of electrical services to new and existing projects including Commercial, Industrial Public & Domestic Sectors

Emergency Lighting & Fire Alarm Installation and Maintenance

CCTV & Security installation & Maintenance

Consultancy and Dispute Solving

3015207
