

## Our Business Is Built On Reputation

Auto Tech Limited would like to welcome you to its Erith based automotive service centre where our primary aim is to accommodate all customers (private & commercial) and to keep a high standard to vehicle repairs.

The business has been under new management for the past 4 years and is run by owner Mr W Stone, a local gentleman who is highly trained within the motor industry and has a vast experience passed down from Grandfather to Father to Son.

There are also 5 employees who all hold relevant qualifications to diagnose, rectify and repair all types of vehicles whether it is an electrical fault, MOT, air conditioning, servicing tracking exhausts etc... it can be resolved at Auto Tech Limited.
