

Marks Demolition Contractors Ltd

- Marks Demolition Contractors Ltd was formed in 1973, offering personal care and attention to every contract undertaken.
- More than 30 years on - Marks Demolition Contractors Ltd remains family owned with the same founding principles being maintained today by the second generation of family members.
- Marks Demolition Contractors Ltd reputation has been built on years of traditional demolition and dismantling skills integrated with the latest plant and equipment and modern demolition methods. Our excellent Health and Safety record has ensured repeat business with local authorities and national companies within the private sector.
