At Liverpool Hope University we offer an extensive range of conference and event facilities. Come and meet our dedicated conference team who will help plan all aspects of your event - whether it be a residential conference, an awards ceremony or simply booking a meeting room, we will tailor our services to meet your requirements.

Hope has two locations across the City - choose between the leafy Hope Park campus in the attractive suburb of Childwall, or the striking urban architecture of our city centre campus, The Cornerstone.

Hope Park

Hope Park is a 30 acre landscaped campus which is an ideal setting for conferences, residential courses, charity functions and product launches or the perfect backdrop for a wedding reception.

A wide range of conference and meeting rooms are available, complemented by over 300 en-suite bedrooms for residential delegates.

The Cornerstone

The Cornerstone is Hope's second major campus. At the heart of this Grade 2 listed building lies The Great Hall, a stunning example of open space suitable for a multitude of events - conferences, corporate dining or exhibitions and performances.
