

The right time. The right place.

It's all happening in Halton. Council and community led initiatives, commercial and industrial developments and significant urban regeneration. They are all transforming the borough.

Ideally situated close to Liverpool, Chester and Manchester, we're a thriving and vibrant area that is rich in art and culture, science and nature, literature and leisure, industry and investment. And our can-do attitude is delivering real change, improving lives and creating new opportunities for all. We're passionate about supporting both businesses and communities and bridging the gap between the past and the future.
