

Promoting an integrated transport network to improve the quality of life on Merseyside

Covering the whole of Merseyside, Merseytravel co-ordinates transport, working in partnership with bus and rail operators and other partners.

What we can do for business

Merseytravel can provide a wide range of support to new or existing businesses within the Merseyside City Region giving you a tailor made service for your individual site or business.

This support could include

- 🚗 transport planning - providing mapping information of all public transport links available to your site/business
- 🚗 liaison with bus and rail companies to identify solutions to gaps in the public transport provision
- 🚗 one to one journey planning for your workforce
- 🚗 issue 1 month free travel passes for local recruits; other opportunities for subsidised travel subject to discussions
- 🚗 advice for all your workforce on the full range of travel passes available to ensure minimal cost for your employees
- 🚗 advice and guidance on salary sacrifice and voucher schemes to help your employees spread the cost of travelling by public transport
- 🚗 where public transport isn't available we can provide 6 month loan and saving scheme for a scooter
- 🚗 Free Bicycles
- 🚗 Merseylink - providing door to door transport for disabled people.

Families and Living in Merseyside

Merseytravel recognises, the needs of the families of your employees as well. We are happy to extend the advice and guidance services listed above to help families plan their own journeys to work, school or college, and get out and about across Merseyside.

In addition Merseytravel offers a range of discount cards through its subsidiary Livesmart giving card holders and their families a range of fantastic benefits and money-saving offers on entertainment and travel all the year round.

Merseytravel also owns and operates some of the region's biggest tourist attractions, Mersey Ferries, The Beatles Story, Spaceport, The U-boat Story and Tunnels Tours.
