

# PICCOLINO

*Experience a true taste  
of Italy*

Located near to King Street, Piccolino is a little Italian gem in the heart of Manchester. Inspired by the traditional charm and contemporary buzz associated with classic New York style brasseries, Piccolino brings a true taste of Italy to its customers.

The restaurant uses only the finest quality seasonal ingredients with everything, bread and ice cream included, freshly prepared, and made on the premises by the restaurant's chefs.
