

Salford College

BUSINESS CENTRE

Skills and Training for Business

Salford College provides responsive, demand-led training and services for businesses aimed at driving up the competitiveness of companies and organisations.

We are specialists at developing programmes and training activities that improve business, provide efficient service and meet the specific needs of employers.

Our training programmes are focused and well organised, staffed and supported by a team of professionals who have expertise in a range of disciplines and occupational areas.

These programmes are delivered in the workplace or at the College to allow you access to high quality training and development to boost your business and update your staff.

For an informal chat or to arrange for one of our team to come and visit you and discuss your requirements please phone **0161 211 5520** or visit **www.salford-col.ac.uk**
