

UNIQUE INTEGRATED SYSTEMS LTD

Security For Life

Unique Integrated Systems specialises in the design, installation and maintenance of high quality electronic security systems. From intruder alarms, CCTV and access control to fully integrated security and communications packages, we provide systems of unparalleled quality, reliability and value.

An NSI Gold Medal approved installer, we're quality assured to BS EN ISO 9001:2000 and we've been fitting effective, dependable security systems since 1989. Little wonder then that we're Wigan Council's nominated provider for security installations and CCTV maintenance, and that we're relied upon by businesses and public authorities throughout the country.

You know the importance of keeping your property, premises and staff secure, so why not talk to us to make sure that you're getting the best advice you can? Call us today on **01695 50332** and see for yourself what it is that makes our services unique.
